

West Granite Creek Park

GREEN: outline of the ten WGCP parcels that we requested to be protected as open space.

RED: the two parcels **left out** from the to-be protected list (nearly half of WGCP and critical to protection of the park, trail, and riparian area!)

Parcels protected in open space charter amendment:

- 113-14-056B 800-11-030P
- 113-14-055 113-14-058D
- 113-14-052B 113-14-052A
- 113-09-046 800-11-029K

LEFT OUT from protection!:

- 113-14-062F next to Granite Street - very important
- 113-14-059C the length of Granite Creek in WGCP
