

Save West Granite Creek Park from NEW Parking Lot Threat!

City Council Will Vote on Parking Lot
Tuesday Nov. 3 at 3pm

Show them that Prescott citizens want a safe, car-free park and trail:

- **Write to all council members, even if you wrote them before:
city.council@prescott-az.gov**
- **Attend Council meeting and bring friends: Nov. 3, 3pm at City Hall**

Car-free Entry

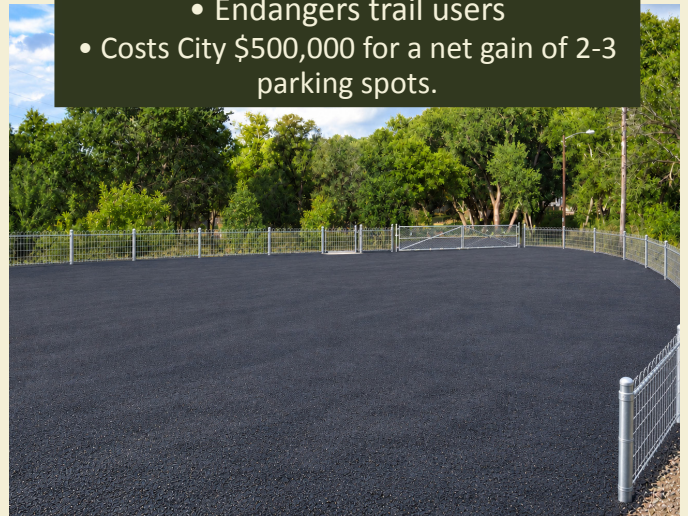

- Adds 4 parking spots outside of park.
- Costs City less than \$30,000

OR

Paved Entry

- Endangers trail users
- Costs City \$500,000 for a net gain of 2-3 parking spots.

Ask City Council to drop the parking lot idea forever and let us
restore this final section of West Granite Creek Park.
