

Letters to City Council

to restore West Granite Creek Park to car-free

October 2024

The mayor and council will soon vote on whether or not to restore West Granite Creek Park to car-free. Thank you for your help by sending a letter of support for our car-free park and trail!

Email Subject line: Please restore West Granite Creek Park to car-free

Start your letter with:

- Dear Mayor and Council,
- One clear sentence so they know what your letter is about, like:
 - Please restore West Granite Creek Park to car-free.
 - Please do not turn West Granite Creek Park into a paved parking lot.

If that's all the time you have, that will work great.

If you have more time, elaborate with your personal experience. You can also find more specifics on the web page at: <https://prescottbikeped.com/index.php/prescott-alt-trans-programs/west-granite-creek-park-restoration> including great examples of letters of support.

Sign your letter with your full name and include your street address in Prescott so they will know that you are a Prescott resident.
